

Chord Chart Notation

- **Augmented Chord (Gaug)** – can also be illustrated as a “+” symbol in sheet music.
- **Diminished Chord (Gdim)** – can also be illustrated as a “-“ or a “o” symbol in sheet music.
- **Chord Sheets**
 - **“/” Slash symbol** – indicates the number of beats for a chord.
 - **Example 1: “G/”** means that there is only one beat for that chord.
 - **Example 2: “G”** without any slashes defaults to the time measure of the song. In 4/4 time, the “G” would receive four beats. In 3/4 time, the G would receive 3 beats.
