

You're Just In Love REV 2.21.19

- Irving Berlin

Key of D

(All sing)

D

I hear singing and there's no one there

D **A7**

I smell blossoms and the trees are bare

A7

All day long I seem to walk on air

A7 **D** **A7**

I wonder why, I wonder why

D

I keep tossing in my sleep at night

D **D7** **G**

And whats more I've lost my appetite

Em **Em7** **A7** **D** **B7**

Stars that used to twinkle in the skies

Em7 **A7** **D**

Are twinkling in my eyes, I wonder why

D

You don't need analyzin', it is not so surprizin'

D **A7**

That you feel very strange but nice

A7 **A7**

Your heart goes pitter-patter, I know just whats the matter

D **A7**

Because I've been there once or twice

D

Put your head on my shoulder, you need someone who's older

D **D7** **G**

A rubdown down with a velvet glove

Em **Em7** **A7** **D** **B7**

There is nothing you can take to relieve that plea-sant ache

Em **A7** **D**

You're not sick, you're just in love
