

Let Your Love Flow

Key of D

Words & Music Bellamy Brothers 1985

Rev. 1.14.20

First note F#

Intro: D, Dsus4, D, Dsus4

There's a reason, for the sun-shiny sky,
And there's a reason, why I'm feeling so high.
Must be the season, when those love lights shine all around us.
So let that feeling, grab you deep inside,
And send you reeling, where your love can't hide,
And then go stealing, through the moonlight nights, with your lover.

Chorus:

Just let your love flow, like a mountain stream,
And let your love grow, with the smallest of dreams,
And let your love show, and you'll know what I mean, it's the season.
Let your love fly, like a bird on a wing,
And let your love bind you, to all living things,
And let your love shine, and you'll know what I mean, that's the reason
There's a reason, for the warm sweet nights.
And there's a reason, for the candle lights,

Must be the season, when those love lights shine all around us.

So let that wonder, take you into space, and lay you under, it's loving embrace,

Just feel the thunder, as it warms your face, you can't hold back

Chorus- 2X, fade:

Just let your love flow, like a mountain stream,

And let your love grow, with the smallest of dreams,

And let your love show, and you'll know what I mean, it's the season.

Let your love fly, like a bird on a wing,

And let your love bind you, to all living things,

And let your love shine, and you'll know what I mean, that's the reason (end single strum D)
