

MAÑANA CAN'T COME SOON ENOUGH FOR ME (Revised 3-28-21 )

INTRO: C// G7// C///

C G7  
This virus is affecting me, must wear a mask in town

C  
All I do is eat all day, I'm sure I'm gaining pounds

A7 Dm  
I'm cleaning out my closets; I guess that helps a bit

G7 C  
But how can I keep ice cream from going to my hip?

C Dm G7 C  
Mañana, mañana, mañana can't come soon enough for me!

C  
We must observe our distance rules

G7  
We shouldn't make a fuss

G7 C  
But gee it gets so boring, with just the two of us

A7 Dm  
We need to be creative with just what we can do

G7 C  
To help us pass the time away and not go crazy too!

C Dm G7 C  
Mañana, mañana, mañana can't come soon enough for me!

C G7  
My kitchen's gotten boring, I really must confess

C  
I'm tired of my own cooking and cleaning up the mess

A7 Dm  
When all of this has gone away, we're going to scream and shout

G7 C  
'Cause no one will be telling us that we should not go out!

C Dm G7 C  
Mañana, mañana, mañana can't come soon enough for me!

C G7  
The Pugsters have been Zooming so we can sing and play

G7 C  
Soon we'll get together in the old familiar way

C A7 Dm  
We know the time is coming, when we've had all our shots

G7 C  
Until that time let's play our songs, any old way we've got!

C Dm G7 C/  
Mañana, mañana, mañana can't come soon enough for me!
