Intro: 1 - 2 - 3 -

Well, she was just 17
You know what I mean
And the way she looked was way beyond compare
So how could I dance with another (ooh)
When I saw her standin' there.

Well she looked at me
And I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another (whooh)
When I saw her standing there.

Well, my heart went "boom,"
When I crossed that room
And I held her hand in mi.....ine

Ooh, we danced through the night
And we held each other tight
And before too long I fell in love with her
Now, I'll never dance with another (whooh)
