Sounds of screaming in distress  
As the zombie folks trudge to and fro  
I must declare my heart is there  
Though I'd like to get it back in my chest

But I'm sad to say, they ate my brains  
Took my kidneys and wrapped them in chains  
My heart is gone, my head is empty for now  
I had to stumble back to Zombie town,  
Zombie town,  
Zombie town (SCREAM!!!!)
