For you and I, For you and I

F7 slide up C/

English Translation

Your laughter is so contagious, it's fun to be with you
Always a good time, for you and I

The streetcar wheels turn, vibrating your body ...
To Kaka`ako we go, eating beef stew ...
To Waikiki we go, swimming in the sea ...
To Kapahulu we go, eating seaweed ...
Tell the refrain, it's fun to be with you ...
