Written by: John Bettis and Richard Carpenter, 1972

Key of C
92 BPM in 2/2

Intro (Instrumental)

...Is the love that I've found ever since you've been around
Your love's put me at the top of the world

Verse 1

Such a feelin's comin' over me
 There is wonder in 'most every thing I see
 Not a cloud in the sky, got the sun in my eyes
 And I won't be surprised if it's a dream

Verse 2

Everything I want the world to be
 Is now comin' true especially for me
 And the reason is clear, it's because you are here
 You're the nearest thing to heaven that I've seen

Chorus

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world

Verse 3

Somethin' in the wind has learned my name
And it's tellin' me that things are not the same
In the leaves on the trees and the touch of the breeze
There's a pleasin' sense of happiness for me

Verse 4

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need_ will be mine if you are here

Chorus

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world

Outro

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world
