## Intro

## Verse 1

A long time forgotten our dreams that just fell by the way.  
And the good life he promised ain't what she's livin' today.  
But she never complains of the bad times, Or the bad things he's done,  
lord.  
She just talks about the good times they've had, and all the good times  
to come.

## Chorus

She's a good hearted woman in love with a good timin' man.  
She loves him in spite of his ways that she don't understand.  
Through teardrops and laughter, they'll pass through this world hand in  
hand.  
A good hearted woman, lovin' her good timin' man.

## Verse 2

He likes the night life and bright lights and good timin' friends.  
When the party's all over, she'll welcome him back home again.  
Lord knows she don't understand him, but she does the best that she  
can.  
'Cause she's a good hearted woman, she loves her good timin' man.

(Optional: Long pause)
