He's a rootin' tootin' Santa Claus
Ridin' reindeer through the sky
With his spurs a-jingle janglin'
And his lasso swinging high

Saddle bags all packed with toys
Through the chimney he will bring them all
To the dreaming girls and boys

Chorus:

Get along little reindeer get along
Cover all the range tonight
It's a long long trail... an all night trail
But you can bet your boots that Santa won't fall
