Intro

G/C/G G/C/G

Verse 1:

G C G
I've been walking in my sleep

Em C
Counting troubles 'stead of countin' sheep

G Em
Where the years went, I can't say

C D G
I just turned around and they've gone away

G C G
I've been sifting through the layers

Em C
Of dusty books and faded papers

G Em
They tell a story I used to know

C D G
It was one that happened so long ago

Chorus:

G C G
It's gone away in yesterday

Em C
Now I find myself on the mountainside
G
Where the rivers change direction
C D G
Across the Great Divide

Verse 2:

G C G
Now, I heard the owl a-callin'
Em C
Softly as the night was fallin'
G Em
With a question and I replied
C D G
But he's gone across the borderline

Chorus:

G C G
It's gone away in yesterday
Em C
Now I find myself on the mountainside
G
Where the rivers change direction
C D G
Across the Great Divide

(Carl break chorus)

Verse 3:

 G C G
The finest hour that I have seen
 Em C
Is the one that comes between
 G Em
The edge of night and the break of day
 C D G
It's when the darkness rolls away

 G C G
It's gone away in yesterday
 Em C
Now I find myself on the mountainside
 G
Where the rivers change direction
 C D G
Across the Great Divide
