[Chorus]

G C Em7 Am
We don't dance the two-step anymore,

All we need's a small part of the floor.

The band can go on playing almost anything it wants,
D G
When you fall in love, everything's a waltz.

[Verse 1]

G C Em7 Am
Eyes were meant for looking into way up close.

Lips were meant to say what bodies feel down in their hearts,
D G
When you fall in love, everything's a waltz.

[Chorus]

G C Em7 Am
We don't dance the two-step anymore,
D G D
All we need's a small part of the floor.
G C Em7 Am
The band can go on playing almost anything it wants,
D G
When you fall in love, everything's a waltz.

G C Em7 Am
We don't hear the music that is being played.

Beating soft three-quarter time and we just sing along.
D G
When you fall in love, everything's a waltz.

[Chorus]

G C Em7 Am
We don't dance the two-step anymore,
D G D
All we need's a small part of the floor.

When you fall in love, everything's a waltz.

[Outro]
G C Em7 Am
Oh, the band can go on playing almost anything it wants,
D G
'cause we're in love, and everything's a waltz.
