## INTRO: [D] [G]

**Tacit** There's a [D] reason, • for the sunshine sky  
And there's a [D] reason, • why I'm feelin' so high  
Must be the [A] season, • when that love light shines,  
All a-[D] round us.

[G] • So let that [D] feelin', • grab you deep inside  
And send you [D] reelin', • where your love can't hide.  
And then go [A] stealin', • through the moonlit nights,  
With your [D] lover.

[D7] • Just let your [G] love flow, like a mountain stream  
And let your [D] love grow, • with the smallest of dreams.  
And let your [A] love show, • and you'll know what I mean,  
It's the [D] season.

[D7] • Let your [G] love fly, like a bird on the wing,  
And let your [D] love bind you, • to all living things.  
And let your [A] love shine, • and you'll know what I mean,  
That's the [D] reason.

[G] • There's a [D] reason, • for the warm sweet nights,  
And there's a [D] reason, • for the candle lights,  
Must be the [A] season, • when those love lights shine,  
All a-[D] round us.

[G] • So let that [D] wonder, • take you into space.  
And lay you [D] under, • it's loving embrace.  
Just feel the [A] thunder, • as it warms your face,  
You can't [D] hold back.

## CHORUS X2

[D7] • Just let your [G] love flow, like a mountain stream  
And let your [D] love grow, • with the smallest of dreams.  
And let your [A] love show, • and you'll know what I mean,  
It's the [D] season.

[D7] • Let your [G] love fly, like a bird on the wing,  
And let your [D] love bind you, • to all living things.  
And let your [A] love shine • and you'll know what I mean,  
That's the [D] reason. **ENDING: [D/] [G/]**
