A
You can tell the world — you never was my girl

E7
You can burn my clothes when I am gone

Or you can tell your friends — just what a fool I've been

A
And laugh and joke about me on the phone

A
You can tell my arms — go back to the farm

E7
Or you can tell my feet to hit the floor

Or you can tell my lips — to tell my fingertips

A
They won't be reaching out for you no more

A
Don't tell my heart — my achy break heart

E7
I just don't think he'd understand

And if you tell my heart — my achy breaky heart

A **A** **A**
He might blow up and kill this man oooo oooo
