The whining of his wheels just makes it colder

And ten days on the road are barely gone

There's a fire softly burning, supper's on the stove

And your mother called last Friday, sunshine made her cry

You felt the baby move just yester-day

Hey, it's good to to be back home a-gain

Sometimes this old farm feels like a long-lost friend

Yes and hey, it's good to be back home a-gain

And all the time that I can lay this tired old body down

To feel your fingers feather soft upon me

The kisses that I live for, the love that lights my way

The happiness that living with you brings me

It's the sweetest thing I know of, just spending time with you

It's the little things that make a house a home

Like a fire softly burning, supper's on the stove

The light in your eyes that keeps me warm

Hey, it's good to to be back home a-gain

Sometimes this old farm feels like a long-lost friend

Yes and hey, it's good to be back home a-gain

{slowing & softer} Yes and hey, it's good to be back home a-gain
