

BEEP - BEEP: The Playmates
#4 in 1958.

#1. (Slow – one strum per beat)

Am E7 Am E7

While riding in my Cad-il-lac,

Am E7 Am E7

what to my surprise.

Am E7 Am E7

A little Nash Rambler was following me,

Am E7 Am E7

about one third my size.

Dm Am

The guy must have wanted to pass me up,

Dm Am

as he kept on tooting his horn.

Am E7 Am E7 Am E7 Am

I'll show him that a Cad-il-lac, is not a car to scorn.

CHORUS:

Am E7

Beep-beep, beep-beep..

Am E7 Am

His horn went beep, beep, beep.

#2.(A bit faster.)

Am E7 Am E7

I pushed my foot down to the floor,

Am E7 Am E7

to give the guy the shake.

Am E7 Am E7

But the little Nash Rambler stayed right behind..

Am E7 Am E7

He still had on his brake.

Dm Am

He musta thought his-car had more guts,

Dm Am

as he kept on tooting his horn.

Am E7 Am E7 Am E7 Am

I'll show him that a Cad-il-lac, is not a car to scorn.

CHORUS:

Am E7
Beep-beep, beep-beep..
Am E7 Am
His horn went beep, beep, beep.

#3. (Faster.)

Am E7 Am E7 Am
My car went into passing gear and we
E7 Am E7
took off with gust.
Am E7 Am E7
Soon we were going ninety,
Am E7 Am E7
musta left him in the dust.
Dm Am
When I peeked in the mirror of my car
Dm Am
I couldn't believe my eyes.
Am E7 Am E7
The little Nash Rambler was right behind,
Am E7 Am
you'd think that guy could fly.

CHORUS:

Am E7
Beep-beep, beep-beep..
Am E7 Am
His horn went beep, beep, beep.

#4.(Faster – d-u per beat)

Am E7 Am E7 Am
Now we were doing a hundred and ten, this certainly
E7 Am E7
was a race.
Am E7 Am E7 Am E7 Am
For a Rambler to pass a Caddy, would be a big disgrace.
Dm Am
The guy must have wanted to pass me up,
Dm Am
as he kept on tooting his horn.

Am E7 Am E7 Am E7 Am E7
I'll show him that a Cad-il-lac is not a car to scorn.

#5.(Very fast.)

Am E7 Am E7 Am E7 Am E7

Now we're going a hundred and twenty, as fast as I could go.

Am E7 Am E7 Am E7 Am E7

The Rambler pulled along-side of me as-if we-were going slow.

Dm Am Dm Am

The fella rolled down his window and yelled for me to hear..

Dm Am E7 D E7 A (tremelo)

[slow] 'Hey buddy how do I get this car, **[slower]** outa--- sec---ond gear---?'
