[G] [C] [D7] [G]

[G] I told you that I love you

[C] You said that is so good.

I [D7] called you my darlin'

I thought I always [G] would.

But now you've gone and left me.

I [C] don't know what to do.

[D7] So, my little darlin'

I write these words to [G] you. <PAUSE>

You [C] stomped on my heart,

And you [G] mashed that sucker flat.

[A7] Baby you just sorta,

[D7] Stomped on my aorta.

[G] You started goin' out with guys,

[C] I felt us drift apart.

[D7] And every step you took

Was a stomp upon my [G] heart.

[G] I only hope that someday,
[C] You get them low down blues.
[D7] In some smoky honky tonk,
You look down at your [G] shoes.

You'll think about that tender heart,
[C] That you crushed beneath them soles.
[D7] With your clod-bustin' stompers,
You left my heart so full of [G] holes. <PAUSE>

You [C] stomped on my heart,
And you [G] mashed that sucker flat.
[A7] Baby you just sorta,
[D7] Stomped on my aorta. <PAUSE>

<Slow>

[D7] Every step you took, <PAUSE>

<Slow and Draw Out>

Was a stomp u-pon my [C] he- [G]art!
