(Using a "back beat"): [D] [A] [D] [A]

If [A] I was a flower growing [D] wild and [A] free
[A] All I'd want is you to be my [E] sweet honey [A] bee.
And if [A] I was a tree growing [D] tall and [A] green
All I'd [A] want is you to shade me and [E] be my [A] leaves
[E] [A] [E] [A]

If [A] you were a river in the [D] mountains [A] tall,
The [A] rumble of your water would [E] be my [A] call.
If [A] you were the winter, I [D] know I'd be the [A] snow
Just as [A] long as you were with me, let the [E] cold winds [A] blow [A]

All I [A] want is you, will you [D] be my [A] bride
[A] Take me by the hand and [E] stand by my [A] side
All I [A] want is you, will you [D] stay with [A] me?
[A] Hold me in your arms and [E] sway me like the [A] sea
[E] [A] [E] [A]

If [A] you were a wink, I'd [D] be a [A] nod
If [A] you were a seed, well I'd [E] be a [A] pod.
If [A] you were the floor, I'd [D] wanna be the [A] rug
And if [A] you were a kiss, I know [E] I'd be a [A] hug
[E] [A] [E] [A]

If [A] you were the wood, I'd [D] be the [A] fire.
If [A] you were the love, I'd [E] be the de-[A] sire.
[A] If you were a castle, I'd [D] be your [A] moat,
And [A] if you were an ocean, I'd [E] learn to [A] float. [A]

All I [A] want is you, will you [D] be my [A] bride
[A] Take me by the hand and [E] stand by my [A] side
All I [A] want is you, will you [D] stay with [A] me?
[A] Hold me in your arms and [E] sway me like the [A] sea [A]

All I [A] want is you, will you [D] be my [A] bride
[A] Take me by the hand and [E] stand by my [A] side
All I [A] want is you, will you [D] stay with [A] me?
[A] Hold me in your arms and [E] sway me like the [A] sea
[E] [A] [E] [A]
